23. No animal other than an exhibit duly entered at the Show, will be allowed within the precincts of the Show during its continuance.
24. Should a Judge be prevented from fulfilling his/her engagement, the Committee reserve themselves the right to appoint another to fulfil his/her duties. Exhibitors are at liberty to withdraw from competition but no entry fees can be returned.

Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show respectively. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show respectively. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show respectively.
14. Best in Show
Best in Show must be selected from the exhibits declared Best of Sex but only if they have received a first prize in a class at the same show. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show.

Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
16. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
17. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) – Regulations for the Preparation of Dogs for Exhibition.
18. All dogs resident outside of the UK must be issued with a Kennel Club Limited Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
19. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club Limited offers the following guidance to help you through the do's and don'ts travelling to and whilst at KC Limited licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

A TRIBUTE TO HARRY TUFF

20th April 1948- 27th December 2017

Most of you would have seen Harry working in the kitchen alongside his wife, Eileen and Val Leggett. Those of you that went to our 70th anniversary shows would have guessed the OES man was indeed Harry, who raised money for the OES Health Fund. Even though he wasn't keen he put the suit on and I promised him that he would never have to wear the

suit again. Harry was always actively working behind the scenes but still a very important part of the team.

Harry loved to play bridge and loved cricket, we even walked into his event to the West Indies cricket theme, which made us laugh and cry!

Harry was a real gentleman and when he laughed it was from deep inside his tummy!

I hope at the shows, you will join us in remembering a man, whom was loved and respected. We as a committee are going to miss him heaps!

Here's to you Harry!!

All our love,
Mel and the Officers & Committee of the South Eastern OES Club

INTRODUCING:

Our Judge for Afternoon Open Show on

Sunday 14th October 2018

MR DARREN CLARKE (Peluche)

I have owned dogs all my life and have been involved with the show scene for over

30 years with my first Briard coming along in 1984.

From just a handful of litters over the years I have bred Champions and General Championship Show Group winners in Briards including Top Briard on a number of occasions and Crufts BOB on 3 occasions including a Group 3 in 2003.

I have also owned Champions in Puli and Skye Terrier.

I currently own and show a Puli (who is sitting on 2CCs) French Bulldog, Pug and a Great Dane.

I award CCs in Briards, Pulis, Border Collie and Australian Shepherd Dogs.

I have attained a KC Judges Development Programme 'Breed Credit' for Bearded Collies and Swedish Vallhund and passed the new KC 'Eye For A Dog' assessment.

I judge all breeds, Groups and BIS at Open show level.

I have judged Club shows for Briard, Puli, Border Collie, Komondor, Lancashire Heeler, Polish Lowland Sheepdog, Shetland Sheepdog, Bernese Mountain Dog, Pyrenean Mountain Dog and have invitations to judge Club shows for Shetland Sheepdog, Rough and Smooth Collie, Catalan Sheepdog, Dobermann and Great Dane.

I judged Briards at Crufts in 2016.

I am a KC member, Chief Steward for Richmond Ch show, Secretary of Crystal Palace Open show, Chief Steward for South Eastern Hound Club and serve on the British Briard Club committee and help run the breed seminars including sitting on the Judges sub-committee.

I adore OES, in fact many Briardist owned the breed before having Briards, so I have a close association with them. I attended the South Eastern OES seminar - Speaker - Mrs Ann Hodgson and passed their hands-on assessment and attended the Greater London OES Club seminar - Speaker Mr Barrie Croft.

I am eagerly looking forward to this appointment and thank the Officers and committee of the SE OES Club for the invitation.

Regulations for the Preparation of Dogs for Exhibition F (Annex B)

1. These regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club Limited Licensed event. Objections may be referred to the Board for disciplinary action under these Show Regulations and/or for disciplinary action under Kennel Club Limited Rule A11.
 - (a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.
 - (b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A11.
2.
 - (a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show.
 - (b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.
3. No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:-
 - (a) Operations certified to the satisfaction of the Board.
 - (b) The removal of dew claws of any breed.
 - (c) Operations to prevent breeding provided that such operations are notified to the Kennel Club Limited before neutered dogs are shown.Nor must anything be done calculated to, in the opinion of the Board, to deceive.
4. The Board, without previous notice, may order an examination of any dog or dogs at any Show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club Limited in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the Show or by anyone so deputed by the Kennel Club Limited. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club Limited will substantiate the grounds for an objection made on its behalf.
6. Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

USE OF ELECTRICAL EQUIPMENT AT SHOWS

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to powerpoints so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog.

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

NOTE: Children under the age of 11 are the responsibility of, and must be accompanied at all times by, a Parent or Guardian.
